

Newry Chamber Visit to Construction and Design Event

3rd-4th December 2018

Intercontinental Hotel, the O2, London

Key Event for the local Design & Construction Industry

Newry Chamber of Commerce and Trade, with the support of Newry Mourne and Down District Council, is organising a visit for local companies to the Construction and Design Platform in London on 3rd and 4th December. The event involves more than 40 active buyers meeting with prospective suppliers over a 2-day programme of face to face meetings and network dinner.

Buyers are seeking products and services across a wide range of categories in design, construction and refurbishment. The buyers are from some of the UK's top companies and suppliers are matched with a personalised 2-day schedule of 20-minute one-to-one buyer appointments.

Proposed Event

Each package includes relevant pre-arranged business appointments with appropriate buyers, hotel accommodation, all a la carte event meals and beverages, access to all event, social and networking functions and a profile entry into the Event Directory.

This will involve specialist assistance with sales prospecting to provide a comprehensive database of potential customers for each participating member from the Newry Chamber.
