**NEWRY: IRELAND'S GATEWAY
TO THE UK AND EUROPE**

A HAPPY, HEALTHY PLACE TO LIVE,

- Nestled at the end of Carlingford Lough between the majestic Mourne Mountains & the historic Ring of Gullion and surrounded by three areas of outstanding natural beauty **NEWRY** offers a fantastic way of life as well as excellent economic opportunities.

- **NEWRY** is a critical link in the Belfast-Dublin Economic Corridor and the M1 Corridor on Ireland's Eastern Seaboard.

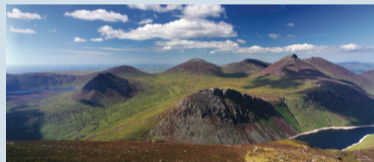

- The city's strategic location on the Northern side of the Irish Border makes **NEWRY** the Gateway to the UK & Europe

- A Cross-border Rail Link between Belfast and Dublin includes a stop at **NEWRY** Station.

- The city is within easy travel distance of Dublin Airport, Belfast International Airport and Belfast City Airport.

- The road network also provides fast and reliable access to the major ports at Warrenpoint, Belfast, Larne and Dublin.

WORK, STUDY, SHOP, VISIT & INVEST

**NEWRY
CHAMBER**
SINCE 1820

The leading voice for business in the Greater Newry Area

**NEWRY: IRELAND'S GATEWAY
TO THE UK AND EUROPE**

GREATER NEWRY IN NUMBERS

- Representing **4.5%** of the region's population **NEWRY** delivers **10%** of Northern Ireland's Gross Income
- **10%** of Northern Ireland's **Top 100** Companies are based in the **GREATER NEWRY AREA**
- Economically active population across the district of over **70,000**
- **29%** of our district's population is under the age of **19**

A vibrant city on the Northern side of the Irish Border with unfettered access to the UK and European Markets, **NEWRY** boasts a proud entrepreneurial heritage as well as a young, talented, adaptable and well-educated workforce.

Offering a competitive wage economy compared to other parts of Ireland, the **GREATER NEWRY AREA** is now, post-Brexit, The Gateway to the UK and Europe for Companies in the United States. We are determined to seize this unique opportunity and work in partnership with US businesses to grow our economy and assist companies on your side of the Atlantic to reach markets in the UK and Europe'
